

1. Manufacturer's certification statement Residential garage doors

Overhead Door Corporation certifies that each of the insulated garage doors listed below is an Eligible Building Envelope Component, which qualifies for a federal tax credit under the Energy Improvement and Extension Act of 2008, as revised and extended by the American Recovery and Reinvestment Act of 2009.

Under penalties of perjury, I declare that I have examined this certification statement and to the best of my knowledge and belief, the facts are true, correct, and complete.
