

The Genuine. The Original.

Phantom®  
GARAGE DOOR OPENER

### Ultra-quiet Performance

No sacrifice of power to achieve quiet operation with our premium belt-drive system. The DC motor delivers smooth lifting force and less wear of the door.

- Reinforced belt-drive system helps make it the quietest opener we produce
- Heavy-duty DC motor delivers 120kg of powerful lifting force
- Smooth operation with soft start and stop to prevent wear on door

### Convenience Options

Enjoy your new Overhead Door® garage door opener to the fullest with optional accessories.

#### Extra Remotes

##### Multi-function Remote Controllers (Available as 2 or 3-button remotes)

These remotes operate multiple garage door openers and come with our CodeDodger® Access Security System.

##### Mini Remote Controller with Key Chain (Available as 4-button remote)

This mini remote works just like the multi-function remotes but is small enough to keep with your keys.

##### Remote Controller with Flashlight

The 1-button remote works just like the multi-function remote and features a light for added nighttime convenience.

##### Digital Wireless Keypad

Available in four colors, this lighted keypad features a flip up cover and lets you control up to three garage door openers.

\*For as long as you own your home. Non-transferable warranty. See owner's manual for details.

#### Longer Channels

Belt channels are available for 10' and 12' doors.

### Standard Features

#### CodeDodger® Access Security System

Each time the remote control is activated a new access code is selected from 4.3 billion possible combinations to prevent piracy of the radio signal that opens your door. The system works with up to seven remotes for one door.

#### Frequency Range

Reliable frequency range to ensure consistent operation.

#### Self-diagnostic Safe-T-Beam® System

When objects pass through the infrared beam, the door automatically stops closing, and then reverses. The system's self-diagnostic functions alert homeowners of improper operations, pinpoint specific problems and help identify solutions.

#### Light System

Illuminate your garage with our built-in light system.

#### Deluxe Wall Console

Features a security vacation lock and an independent light control with energy saving shut-off.

### Distributor Services

#### Installation

Selection of an Overhead Door garage door system includes the expert installation services of our professional Ribbon distributors. Turnkey services maximize the value of your product choices.

#### Routine Maintenance

Let your Overhead Door distributor ensure that your garage door system operates at peak performance year-in and out. Ask your distributor about routine system maintenance "tune-ups" and other professional services offered.
