Overhead Door® Garage Door Openers Win ‘Innovation Award’

Home Builder Executive magazine selects Overhead Door™ Brand as a Bronze ‘Innovation Award’ winner, recognizing its line of technologically advanced operators

Nov. 15, 2021 - [Overhead Door™ Brand](#), a trusted manufacturer of reliable, high-quality doors and openers for residential, commercial and industrial applications, has been recognized by *Home Builder Executive* as part of its ‘Innovation Awards,’ earning the Bronze Award in the garage door openers category. Since it first brought the original electric garage door opener to the marketplace in 1924, Overhead Door® openers have set the industry standard for innovation, quality and convenience for homeowners and business owners across North America.

“Revolutionary performance and cutting-edge features have been a part of Overhead Door™ Brand’s identity since its founding. With the advancement of modern technology, our garage door openers have continued to improve offering the latest in capabilities and security with intuitive and easy-to-use functions,” said Christian Morrow, Senior Brand Marketing Manager for Overhead Door™ Brand. “Being honored with the ‘Innovation Award’ is a testament to our 100-year reputation of delivering top-notch operator and door system solutions.”

Overhead Door® automatic garage door openers are designed to be powerful, quiet and durable, with each product engineered with built-in, standard functions for the ultimate in safety, convenience and power. The full line of automatic openers features a variety of power levels and specifications to handle different garage door weights and sizes and, when combined with an Overhead Door™ garage door, completes an integrated system that maximizes performance and reliability. Advanced technological features offered with the garage door openers include Wi-Fi-

enabled OHD Anywhere® smart technology for enhanced smartphone control capabilities and The CodeDodger® security system, which offers billions of new code combinations each time the remote control is activated to help prevent piracy of the radio signal that opens the door.

Home Builder Executive is a national publication that provides timely industry news and insightful features and is read by executives at national and regional builders as well as owners of custom home builders. Recipients of the ‘Innovation Awards’ are selected based on the organization’s research of products, buyer programs, communication efforts and other initiatives.
