

# *Impression Steel* COLLECTION™

Model 501 7' high, Brown finish with Plain Long windows, decorative hardware

## **5800** SERIES, MODEL 501

New insulated steel door platform offers updated classic design with aesthetic versatility.

- Three sections for 7' doors provide large steel embossments for a dramatic appearance
- Foamed-in-place, polyurethane insulation sandwiched between two layers of corrosion-resistant steel with an R-value\* of 12
- Oversized windows provide maximum natural light into the garage – one of the largest garage door windows on the market!
- Wind load-rated to withstand a variety of wind conditions and meet local building codes

\* Overhead Door Corporation uses a calculated door section R-value for our insulated doors.
