The Genuine. The Original.
Standard features and benefits

DC power
DC motor operates with variable speeds for soft start and stop; providing smooth, quiet operation and less wear and tear on your garage door.

CodeDodger® access security system
Selects a code from billions of combinations each time a remote or wireless keypad are used. Prevents piracy of the radio signal for the utmost in security.

Easy programming
Quick, effortless limit setting for faster installation.

Auto seek dual frequency range
The opener listens for both the 315 or 390 MHz frequency emitted by the remote or wireless keypad, allowing reliable operation even in areas with frequency interference.

Self-diagnostic Safe-T-Beam® System
When objects pass through the infrared beam, the door automatically stops closing and then reverses.

C-channel rail
Operator rail designed for strength; conceals rotating belt or chain for safety and better aesthetics.

Lighting system
Optional Overhead Door™ LED bulb recommended. 60 Watt max if incandescent bulbs used.

Compatible with both HomeLink® and Car2U® systems – works with current and all previous versions. No additional external repeater kit or compatibility bridge needed.

Convenience options

Garage door opener LED bulb – NEW!
Designed specifically for garage door openers. Bright, long lasting LED technology. Vibration and shatter resistant.

2-button LED flashlight remote – NEW!
This remote features a powerful LED flashlight and operates up to two Overhead Door® CodeDodger® openers.

OHD Anywhere™
Remotely monitor and operate your garage door from almost any smart device. Up to 3 doors can be monitored and 20 users added with one system.

Digital wireless keypad
Lighted keypad features a flip up cover and lets you control up to three garage door openers.

6’ power cord
For high ceiling applications (Model 2029H).

Distributor services

Installation
Selection of an Overhead Door™ garage door system includes expert installation and service from our professional network of over 400 distributors.

Routine maintenance
Let your Overhead Door™ Distributor ensure that your garage door system operates at peak performance year-in and out. Ask about routine system tune-ups and other professional services offered.
