## Standard features and benefits

### DC power

DC motor operates with variable speeds for soft start and stop; providing smooth, quiet operation and less wear and tear on your garage door.

### Integrated OHD Anywhere™

Remotely monitor and operate your garage door from almost any smart device. Up to 3 doors can be monitored and 20 users added with one system (Models 7120H / 7120H-B).

### CodeDodger® access security system

Selects a code from billions of combinations each time a remote or wireless keypad are used. Prevents piracy of the radio signal for the utmost in security.

### Easy programming

Quick, effortless limit setting for faster installation.

### Auto seek dual frequency range

The opener listens for both the 315 or 390 MHz frequency emitted by the remote or wireless keypad, allowing reliable operation even in areas with frequency interference.

### Self-diagnostic Safe-T-Beam® System

When objects pass through the infrared beam, the door automatically stops closing and then reverses.

### C-channel rail

Operator rail designed for strength; conceals rotating belt or chain for safety and better aesthetics.

### Lighting system

Light bulbs are positioned to each side of the powerhead for light where it's needed most. Overhead Door™ LED bulb recommended. 60 Watt max if incandescent bulbs used.

### 6' power cord

For high ceiling applications.

**Compatible with both HomeLink® and Car2U® systems** – works with current and all previous versions. No additional external repeater kit or compatibility bridge needed.

## Convenience options

### Garage door opener LED bulb – NEW!

Designed specifically for garage door openers. Bright, long lasting LED technology. Vibration and shatter resistant. Reduces remote interference.

39492R

### 2-button LED flashlight remote – NEW!

This remote features a powerful LED flashlight and operates up to two Overhead Door® CodeDodger® openers.

39647R

### Digital wireless keypad

Lighted keypad features a flip up cover and lets you control up to three garage door openers.
