Standard features and benefits

**DC power**
DC motor operates with variable speeds for soft start and stop; providing smooth, quiet operation and less wear and tear on your garage door.

**Integrated *OHD Anywhere*®**
Remotely monitor and operate your sectional garage door from almost any smart device. 20 users can be added with one system. (Models 7120H / 7120H-B).

**CodeDodger® access security system**
Selects a code from billions of combinations each time a remote or wireless keypad are used. Prevents piracy of the radio signal for the utmost in security.

**Easy programming**
Quick, effortless limit setting for faster installation.

**Auto seek dual frequency range**
The opener listens for both the 315 or 390 MHz frequency emitted by the remote or wireless keypad, allowing reliable operation and reducing frequency interference.

**Self-diagnostic Safe-T-Beam® System**
When objects pass through the infrared beam, the door automatically stops closing and then reverses.

**C-channel rail**
Operator rail designed for strength; conceals rotating belt or chain for safety and better aesthetics.

**Lighting system**
Light bulbs are positioned to each side of the powerhead for light where it’s needed most. Overhead Door™ LED bulb recommended. 60 Watt max if incandescent bulbs used.

**6’ power cord**
For high ceiling applications.

**Compatible with both HomeLink® and Car2U® systems**
– works with current and all previous versions. No additional external repeater kit or compatibility bridge needed.

Convenience options

**Garage door opener LED bulb**
Designed specifically for garage door openers. Reduces remote interference. Bright, long lasting LED technology. Vibration and shatter resistant.

**2-button LED flashlight remote**
This remote features a powerful LED flashlight and operates up to two Overhead Door® CodeDodger® openers.

**Digital wireless keypad**
Lighted keypad features a flip up cover and lets you control up to three garage door openers.

**Battery backup**
Provides reliable garage door operation when there is a power outage. (Models 7020H-B / 7120H-B).

*D OHD Anywhere® is designed for sectional doors only and should not be used on one-piece garage doors.*

Distributor services

**Installation**
Selection of an Overhead Door™ garage door system includes expert installation and service from our professional network of over 400 distributors.

**Routine maintenance**
Let your Overhead Door™ Distributor ensure that your garage door system operates at peak performance year-in and year-out. Ask about routine system tune-ups and other professional services offered.
