* R-value: R-value is a measure of thermal efficiency. The higher the R-value the greater the insulating properties of the door. Overhead Door Corporation uses a calculated door section R-value for our insulated doors.

2. **Choose a color**

- **Standard finishes**
  - White
  - Almond
  - Desert Tan
  - Taupe/Sandstone*
  - Brown

- **Textured wood grain finishes††**

Choose your opener

Be sure to ask about our complete line of Overhead Door® garage door openers. Powerful, quiet and durable, these garage door openers are designed for performance, safety and convenience. Your Overhead Door™ Distributor will help you choose the opener that best suits your door and preferences.
The Traditional Steel Collection combines the long-lasting performance of high quality steel with the elegance of clean lines and classic designs. Whether you want to create a subtle statement or a bolder one, our wide assortment of neutral tones will complement the architectural details of your home.

**Surface**
Embosed wood grain adds beauty, sophistication and durability.

**Durable finish**
Hot-dipped galvanized steel with two coats of baked-on polyester paint.

**Bulb-type bottom weatherseal**
Guards against wind and rain while providing a cushion when closing.

**Reinforced door construction**
For maximum strength, durability and minimal weight.

**Our WindStorm™ wind load rated system**
Available on select products to meet regulations for a variety of wind speeds, including hurricane-force winds, and meet the most stringent local building codes.
Transform Your Home with the DoorView® Visualization Tool.
Go to overheaddoor.com to try our online interactive software tool that lets you visualize what your home would look like with a new Overhead Door™ garage door. Contact your local Overhead Door™ Distributor for more information and to receive a quote.

The Genuine. The Original.
Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry – we’ve created them. We created the first sectional garage door in 1921 and the first electric garage door opener in 1926.

Today, our network of over 400 Overhead Door™ Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It’s your guarantee that you’re getting the genuine, the original Overhead Door™ products and services.
