MODELS 870, 872

Vinyl garage doors that resist dents and rust

- Bonded steel, polyurethane and vinyl provide you with incredible strength, impressive sound absorption and energy efficiency with an R-value* of 11.75.
- Wood grain texture for the timeless look of freshly painted hardwood. (Standard Panel only).
- Through-and-through color PVC construction means the color goes all the way through the exterior vinyl skin so scratches are minimized.
- UV-resistant resin contains special polymers that protect your door from harmful ultraviolet rays.
- Twin structural struts of 22-gauge steel C-channels run the full length of each panel and are anchored to interior steel stiles for strength.

*Overhead Door Corporation uses a calculated door section R-value for our insulated doors.
Choose a panel style:

**Standard** Models 870

- 7’ tall
- 8’ tall

The Genuine. The Original.
Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry – we’ve created them. We created the first upward-acting door in 1921 and the first electric garage door opener in 1926.

Today, our network of over 400 Overhead Door™ Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It’s your guarantee that you’re getting the genuine, the original Overhead Door™ products and services.
