Important: If the labels are not applied at the factory, then ensure you place all labels in position. As with any labels, if not placed correctly, they may cause injury and void the manufacturer's warranty. Label Placements:

- Before using or servicing the garage door, carefully read the instructions on each label.
- Do not remove, cover, or paint over any labels.
- Every label is necessary and must remain in place.
- If a label is missing, worn, or damaged, call the original manufacturer for replacement.

CAUTION: Never mix cleaners or detergents with bleach.

Glass Cleaning Instructions:
Clean with a mild detergent solution (same as above) and a soft cloth. After cleaning, rinse thoroughly.

Acrylic Cleaning Instructions:
Clean acrylic-glanz by using non-abrasive soap or detergent and plenty of water. Use your bare hands to feel and dislodge any caked-in particles. A soft cloth or sponge can be used to wipe off any dust or oil. Do not use hard or rough cloths that will scratch the acrylic-glanz. Dry acrylic-glanz with a clean damp cloth.

Do not use any window cleaning fluids, scouring compounds, gritty cloths or solvent-based cleaners of any kind.

Painting Your Garage Door

Surface Preparation for Painting:

Wash the surface on the back of the steel door and rustproof with ready-to-use epoxy. A high-quality oil or latex primer should be used on the metal substrate. Care must be taken to expose the metal substrate. The surface to be painted is treated with a 1:50 high-solids paint or latex paint. This paint is applied as a base coat. The surface is then painted with a high-quality oil or latex finish coat. The high-quality oil primer is saturated with an oil-based exterior paint to ensure adequate adhesion to the existing surface. The high-quality oil primer is saturated with an oil-based exterior paint to ensure adequate adhesion to the existing surface. The high-quality oil primer is saturated with an oil-based exterior paint to ensure adequate adhesion to the existing surface. The high-quality oil primer is saturated with an oil-based exterior paint to ensure adequate adhesion to the existing surface. The high-quality oil primer is saturated with an oil-based exterior paint to ensure adequate adhesion to the existing surface. The high-quality oil primer is saturated with an oil-based exterior paint to ensure adequate adhesion to the existing surface. The high-quality oil primer is satu

Painting:

After surface has been properly prepared, it must be allowed to dry thoroughly, and then coated immediately with premium quality latex house paint. Follow the paint label directions exactly. Oil base or solvent base paints are not recommended. Please note that if substrate is exposed and not properly primed, painting with latex paint may cause accelerated rusting of the steel in the exposed area.

Notes:
1. No painting of finished steel doors is warranted, as this condition is totally beyond the door manufacturer's control.
2. Consult a professional coatings contractor if doubt about any of the above directions.
3. All painting of finished steel doors is warranted, as this condition is totally beyond the door manufacturer's control.
Overhead Door Corporation Limited Warranty

Models 5745 / 5765 and Model 5745 V5 Wood Grain

Overhead Door Corporation ("Seller") warrants to the original purchaser of the Models 5745 / 5765 and the Model 5745 V5 Wood Grain ("Product"). subject to all of the terms and conditions hereof, that the Product and all components thereof will be free from defects in materials and workmanship for the following period(s) of time, measured from the date of installation:

Traditional Steel

• The Product hardware and tracks (except springs).
• The Product becoming inoperable due to rust-through of the steel skin from the core of the Product section, due to cracking, splitting, or other deterioration of the steel skin, or due to structural failure caused by separation or degradation of the foam insulation.

Limited Lifetime Warranty* on the Product sections against:

• SELLER’S ADDRESS:  ___________________________________________________________________
• SELLER:                          _______________________________________________________________________

Claims under this warranty must be made promptly after discovery, within the applicable warranty period, and in writing to the authorized distributor or installer whose name and address appear below. The purchaser must allow Seller a reasonable opportunity to inspect the alleged defective part and to determine the cause of any claimed defects. The warranty is limited to the cost of labor and material required to repair or replace any part which is determined to be defective. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This warranty does not apply to any unauthorized alteration or repair of the Product, or to any Product or component which has been damaged or deteriorated due to misuse, neglect, accident, failure to provide necessary maintenance, normal wear and tear, acts of God, or any other cause beyond the reasonable control of Seller or as a result of having been exposed to toxic or abrasive environments, including blowing sand, salt water, salt spray and toxic chemicals and fumes.

In no event shall Seller be responsible for, or liable to anyone for, special, indirect, collateral, punitive, incidental or consequential damages, even if Seller has been advised of the possibility of such damages. Each excluded damage includes, but are not limited to, loss of use, cost of any substitute product, or other similar indirect financial loss. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

TWO (2) YEARS against peeling or fading of finish on Product sections with Walnut or Golden Oak wood grain finish.

Overhead Door Corporation Limited Warranty

No expressed or implied warranties for the Product, including but not limited to any implied warranties of merchantability and fitness for a particular purpose, are limited in time to the applicable warranty period reflected above. No warranties, whether express or implied, will apply after the limited warranty period has expired. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
